

## Tile & Grout

Make those old tile floors look brand new!

*Tile and grout is one of the hardest surfaces to clean and maintain. Dirt and grime build up and stain the grout making your floors look old and filthy no matter how much you scrub them! Our experts clean and seal your tile surfaces, horizontal or vertical, with our Hard Tile Clear Treatment, creating a nonporous surface that keeps dirt and grime out! This will make it easier and cheaper to clean and maintain your tile surfaces while also protecting your floors with a long-lasting seal!*
